- 23.8-inch / 27-inch FHD (1920x1080) IPS Display
- 120Hz Refresh Rate
- 1ms Motion Blur Reduction
- 3-side Virtually Borderless Design
- Super slim metal stand
- Various Ports
- LG Switch

Visual clarity for focused work

23.8 / 27-inch FHD (1920x1080) IPS Display |
1ms MBR: Available at 120Hz | HDR 10 | sRGB 99% (CIE1931) (Typ.)

The 23.8 and 27-inch display formats are commonly used by professionals wishing to maintain productivity and visual comfort during long work sessions. 1ms Motion Blur Reduction combined with a 120Hz refresh rate helps reduce unwanted motion blur during frequent on-screen transitions such as scrolling spreadsheets, navigating large dashboards, or switching between windows. With HDR10 support and up to 99% sRGB color gamut coverage, this monitor delivers consistent color reproduction.

Comprehensive compatibility for modern and legacy systems

HDMI™ | D-Sub | Headphone Out

The 24/27BF410B is equipped with versatile connection options including HDMI™, D-Sub, and a headphone-out port. HDMI™ enables stable digital transmission with modern PCs, laptops, and media devices, while D-Sub ensures ongoing compatibility with analog systems commonly found in institutional or corporate environments. This combination simplifies deployment across mixed hardware setups, minimizing the need for additional adapters. The headphone-out port supports direct audio monitoring and helps maintain a tidy, professional workspace.

Flexible configuration for multiple modes

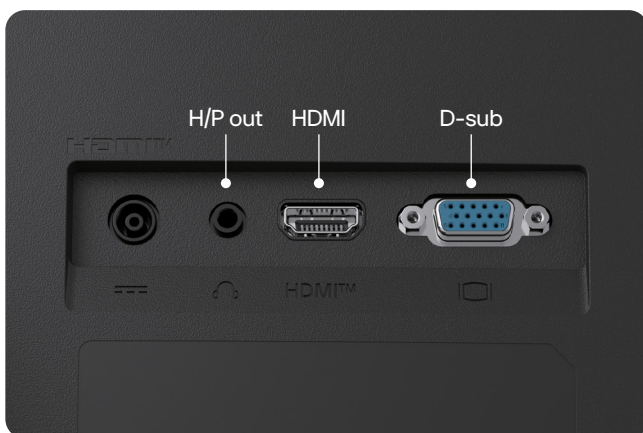

Tilt | Wall Mountable | 3-side Virtually Borderless Design |
Super slim metal stand | LG Switch¹⁾

Designed for flexible placement, the 24/27BF410B supports tilt adjustment (-5° to +20°) and a 3.94 x 3.94 inch wall-mount configuration, allowing users to optimize screen positioning for various workspaces. Its 3-side Virtually Borderless Design and super slim metal stand create a clean, open atmosphere that helps maintain a comfortable and organized workspace. LG Switch provides quick access to input control and device switching directly from the monitor, enabling efficient multitasking and smooth daily operation.

Specifications

Model		24BF410B.AUBQ	27BF410B.AUBQ
Display	Size	23.8-inch	27-inch
	Resolution	Full HD (1920x1080)
